

# SUPACOLOUR METALLIC

## THE WORLD'S BEST TRANSFER JUST GOT MORE EXCITING!

### KEY POINTS

- Available on all transfer types in Silver or Gold\*.
- If your design includes other colours, these will not be metallic however they will be enhanced to provide a special effect

### The same benefits of Supacolour:

- Unlimited colours and high vibrancy  
Ultra-high detail (finest of text, perfect colour gradients)
- Allows free floating text without an weeding required
- Ultra-high resolution - photo reproduction achievable
- High stretchability and versatility in terms of fabrics and where it can be applied
- Can be applied across seams and on coarse fabrics.
- 100+ washes, will outlive the product and won't peel, crack or fade.
- Using the highest quality, eco-friendly inks and no vinyl
- Saves time and money with very simple, cost effective pricing structure
